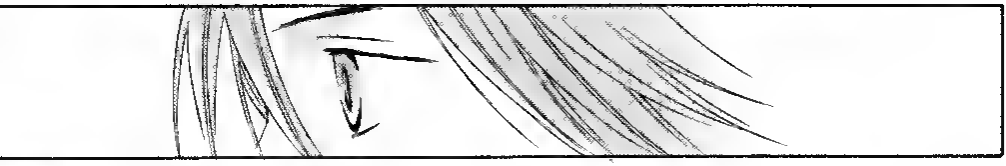
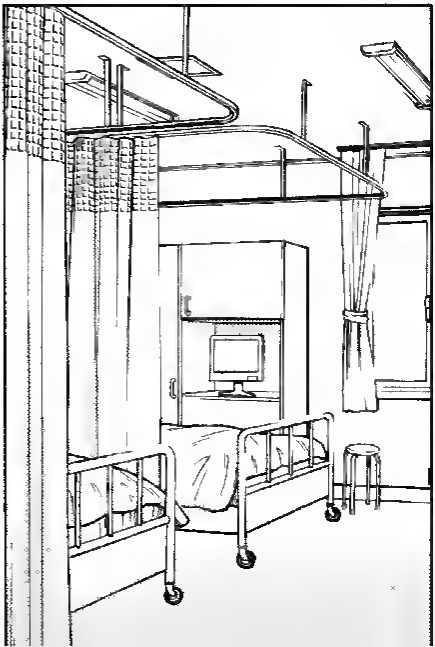
Clear!
Cardiac arrest!
Charge 200!
Epi-dural !!
Clear!
Still in cardiac ar-rest!
Charge 300!

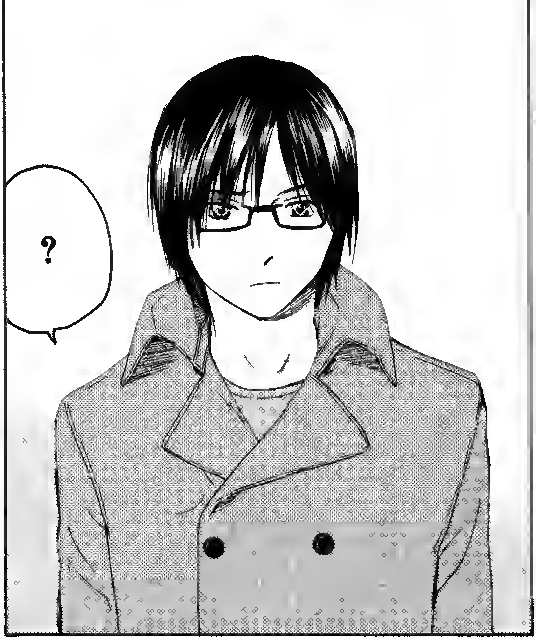
You're not going in?



Then what did you come here for?

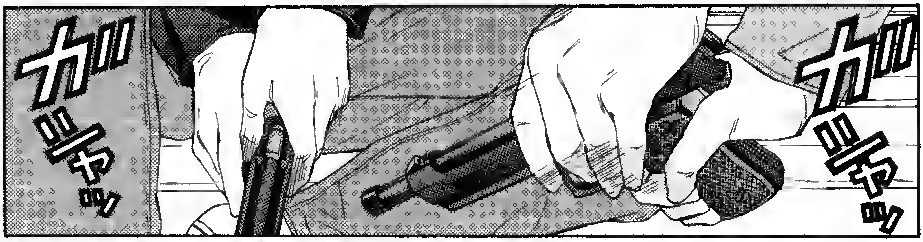
Um
I'm supposed to be away on the school trip...





？

・・・



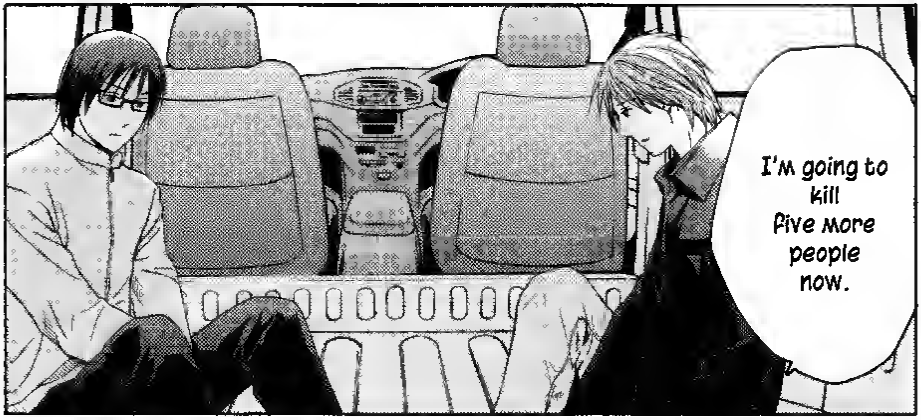
カ〃ミャ〃
カ〃ミャ〃

ゴ〃オオオ

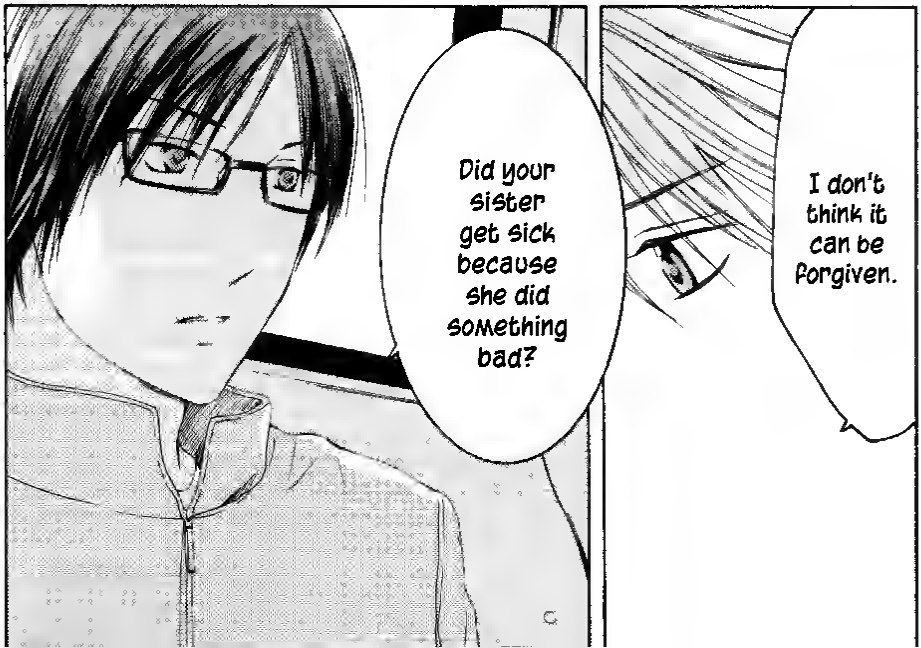
Why did we stop by the hospital?
ゴォオオオ
Eh?
Tell me...
I want to know what exactly the guy who killed Bizen
Is thinking about.
That's ...
ゴォオオオ

I was wondering
If my sister might be dead because of me.
.....
I went to check if she was alive or not.
What the hell?
ゴオオオオ
.....
The money I got for killing people is probably what's keeping her alive now.
Do you think... something like that can be forgiven?

Are you feeling guilty?
Is this just retribution?
Forgiven by who exactly?
Ah, by God?
What the hell?

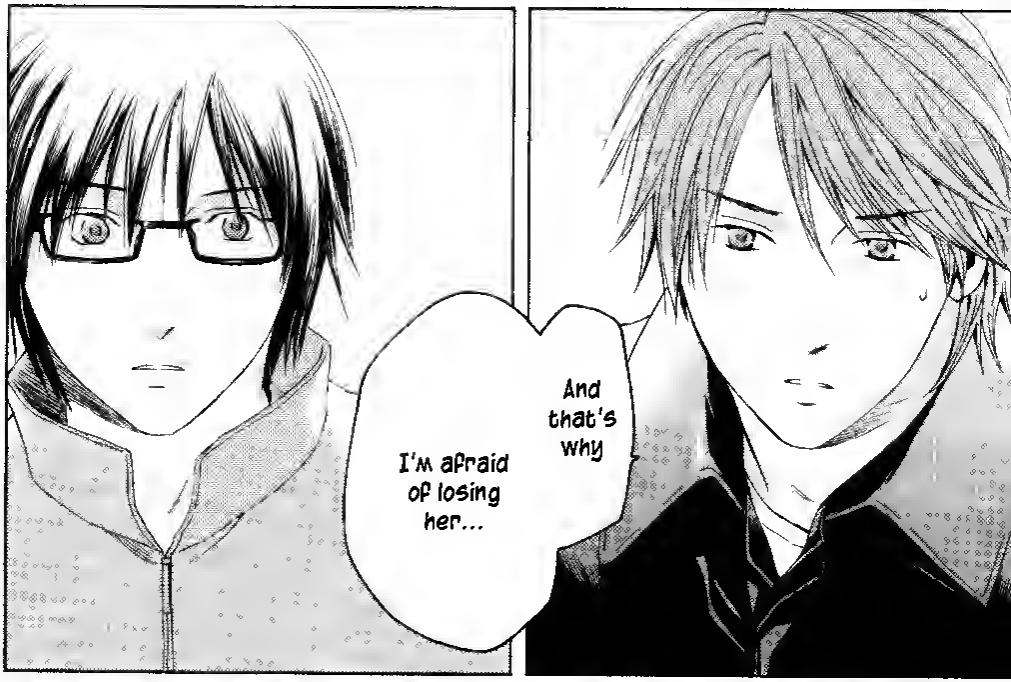


I'm going to kill five more people now.



Did your sister get sick because she did something bad?
I don't think it can be forgiven.

Eh?
No ...
Then there shouldn't be any guilt, right?
Besides, even if there was...
When it comes to receiving punishment,
It should be you, and not your sister, right?



And that's why
I'm afraid of losing her...

Ahhh ...
I see.
ゴオオオ
Yeah...
Hmmm

I don't think so.
Did I lose Bizen because I did something bad?

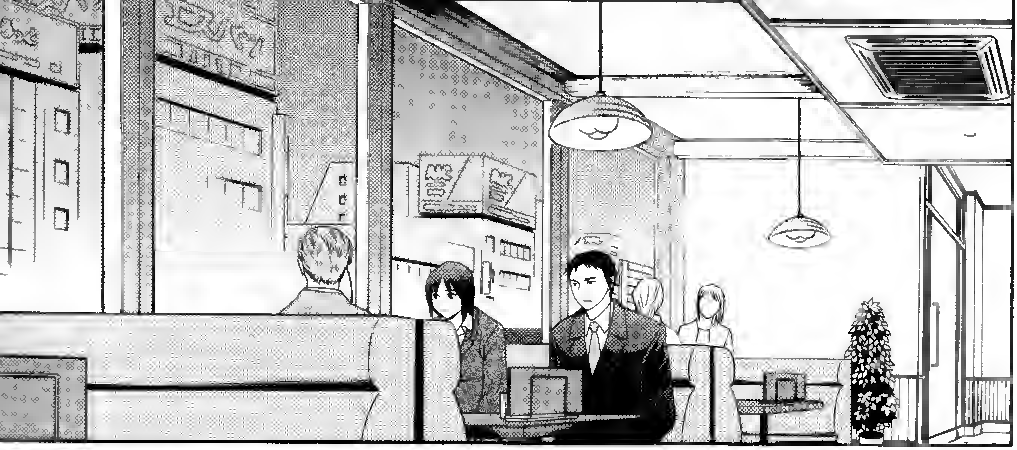
ゴオオオ
I can't think of it any other way.
The same way children don't get to choose their parents
It's just fate that comes and bashes you over the head.

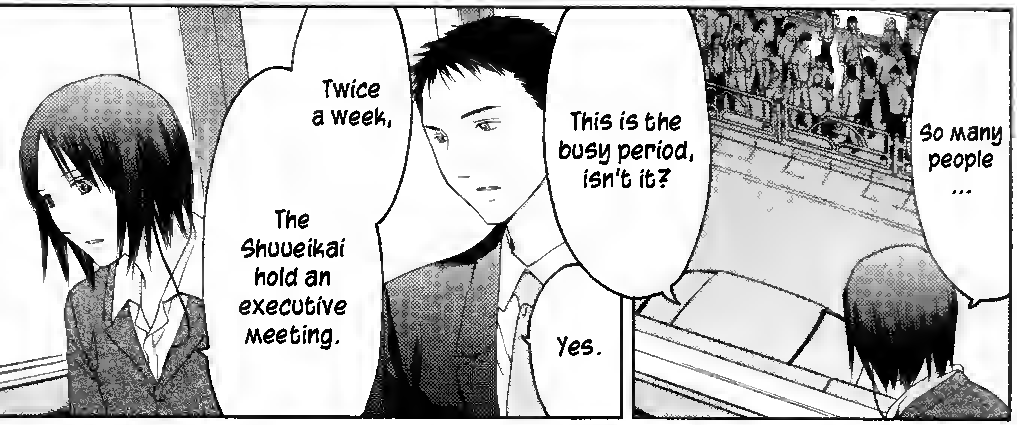
Why is that?
Why?
If it's not fate, why am I here holding a gun?

ゴオオオ
We're almost there.
Ei-kun.
I think it would be better
If you didn't kill people anymore.
I'll go alone.
I was the one who got you involved.
Are you that afraid of receiving your punishment?
Rather than guilt, isn't it more of self-preservation?
I'm not afraid.

Recently, I decided I want to see
How you'll turn out.
For some reason, a box cutter I used to have in the past

ゴオオオ
Appeared in the back of my mind.





So many people ...
This is the busy period, isn't it?
Yes.
Twice a week,
The Shuueikai hold an executive meeting.

Yes.
Ah
The last one has entered.
All five have assembled now.

About what time will Hosaka-san be here?
Ah
About another hour, based on his email.
I see.
...

Alright, then I'll go make a call to the station.
He might not make it in time for the meeting.
Yes, Please.
BEEP

It's Kuzumi.
You may start.

The emergency staircase and the escape door are already disabled.
Got it.
キィ
Put at least two bullets into each one of them.
ナニ!!
Each of the five likely carries two cell phones,
So collect all of them.
Got it.
Shiki.
Makihara is...
Eh?

.....

Got it...
Leave the call up.
Don't hang up the phone,
...No, Never mind.

A big punishment will be handed down.
My hands are shaking, and cold.
I want to run away.

His eyes are saying "I'm watching".

Yeah...

Maybe he himself is the big punishment.

Chapter 26 Sunny <III>

Both our parents were dead, and my sister and I were all alone.
Why did we have to face such misfortune?
Everyone else looked so happy it made me mad.
I wanted to kill someone. I didn't care who.
So I carried a concealed knife.
Well, it was more like a box cutter.

But my big sister was always cheerful.

She didn't look dispirited at all.

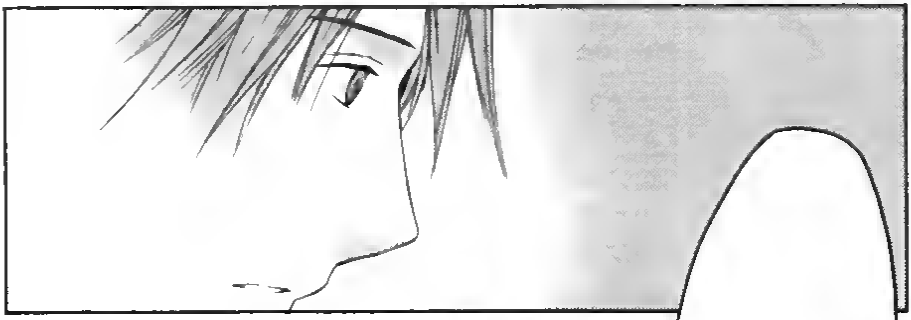
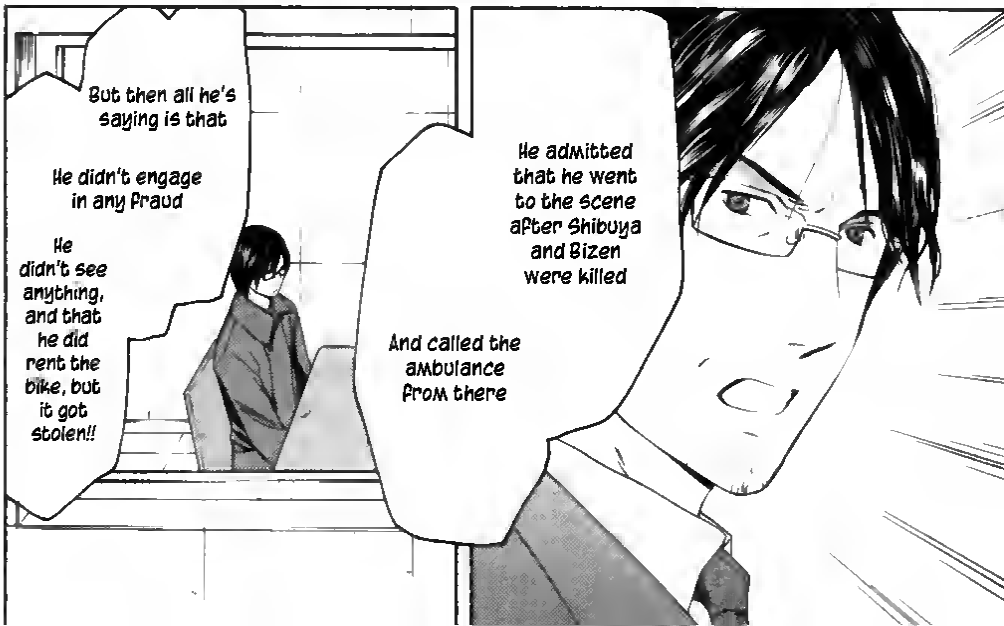
Yeah true
I got some instructions from Kuzumi about you



If you're alright with that

I'll tell you everything
I'm sorry for running away

Yeah
He's here now
I head Makihara turned himself in



But then all he's saying is that
He didn't engage in any fraud
He didn't see anything, and that he did rent the bike, but it got stolen!!
He admitted that he went to the scene after Shibuya and Bizen were killed
And called the ambulance from there

So that's the crap he's feeding us
He ran away because he was afraid of being suspected of fraud?
But why now?
It's strange
Right after five Shuuekai executives were killed
What are you going to do with Makihara?

There wasn't any evidence that Makihara was involved in fraud even at the Shuueikai office
We have no choice but to let him go

You may go
Where do you live now?

Makihara

I'll come to check on you periodically
Alright, then don't move anywhere from there
If you move, then inform us
.....
At an internet cafe in Ogikubo
If it's that much
I don't mind

See you
Later

On the same day, the Shuseikai member Maeda's car
Was discovered in the mountains in Kanagawa
Inside the car, weapons such as knives and guns thought to be used in the homicides were found
Maeda's own whereabouts remain unknown

Good job-

About the cases of the murder of the president, the fraud ring leader, and the Shoueikai executives
What does the prosecution say?
They're convinced that all three cases are the work of Maeda
I see.
But he's not someone who'd be able to do that.
The perpetrator must be someone else.
I agree

What about the drug store clerk murder?
No idea about that one
Minakami had no personal connections whatsoever...
Beep
!?
What's wrong?
Kuzumi...
?
Eh!
Your wife!?
She's in labor...
What am I to do?

Please, I beg you!
"I see" nothing!
Please come with me!!
Hey!
Eh?
.....
I see.
Kahaha
Don't be so cold!
Well... But it's your kid
Kuzumi, wouldn't you be scared too!?
Isn't it scary when she's giving birth?
Oh Pine...
.....
KUZUMI!
Eh...
Go with him, Kuzumi

Itou-chan, you want a child?
That's... Maybe someday...
How nice, a baby-
I hope the birth goes well...
Ogawara-san is so cute...
Eh!
Kodama-san, you're married?
Yes
He has kids, two of them.
!
What about Kuzumi?
Itou-chan,
He's single.
Eh-
How nice
A husband like that is nice...
On his days off, he spends all his time with the children.

Isn't it alright when we're not at work-?
This is sexual harass-ment.
It's not.
Kosaka-san...
I'll set up another drinking party, so you can get him drunk and take him...
You gotta be quick to win
He's popular
Me?
Eh?
Eh?

sfx: Kasasa
Last one for me.
What about you, Kodama?
More beer.

Kuzumi-san, huh...

ガラガラ
トン
Ogawara
Yeah.
It's over.
It's all good.
She did it.
The surgery went well too.
No problem with the mother or the child.
Ahhh...
Look, over there.
Eh?
The new-born room.

The one they brought in just now...
Is mine.
They're amazing.
Children.
So tiny.
So tiny, yet alive.

She's my daughter
I have to take care of her

No
Normally, it's the parents who sign this
So I'll pass.
If you ask your parents, I'm sure they'll be happy

Thank you, Kuzumi
No problem
Ah,
You signed it?
Ogawara...
Here

I see ...
Yeah
See you.
Congratu-lations

Thanks, Kuzumi.
Bye.

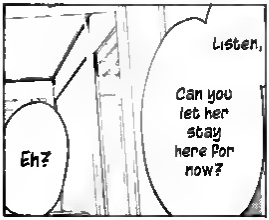
Ehhh!
The way you dress is terrible
I've been thinking about this
He's drunk already
I should call it a night now
That's mean
If you do that, this guy will be all over you.
You should dress more like a girl like this
Anyway ..
Only one, though
I have proof.
Let me see.
I've always worn clothes like that
The two of you ..
If you're staying over, should I get a futon out?

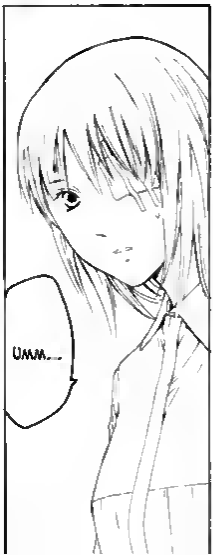
I see. Itsuki won't go to bed until morning so she can use one
We can't share one.

How are we going to split the Futons?
You two ...
Are you ...?



Listen,
Can you let her stay here for now?
Eh?

The de-tective?
It's alright, I won't be sleeping until the morning either. That dude, Hosaka, will be coming.
Yeah



Umm...

Utako-chan, do you go to Shibuya often? I want to go- What is it like?

She said to thank you for the meal.
Utako-chan said she's going home and left.
Sensei-
Ei-kun-
Eh?
What?
That idiot!
She-
The yakuza are pulling her into prostitution!
What!? Why?
Eh?
I have to bring her back.

Lock the door!!
Yeees.
Ibuki,
Take care of the house.
You should've said so before.
Like I could.
Come out!
Utako!!
If she goes back now, they'll beat the hell out of her.
Utako!!
Utako-chan!!
Utako!!

フォォォ
Why did she do this!?

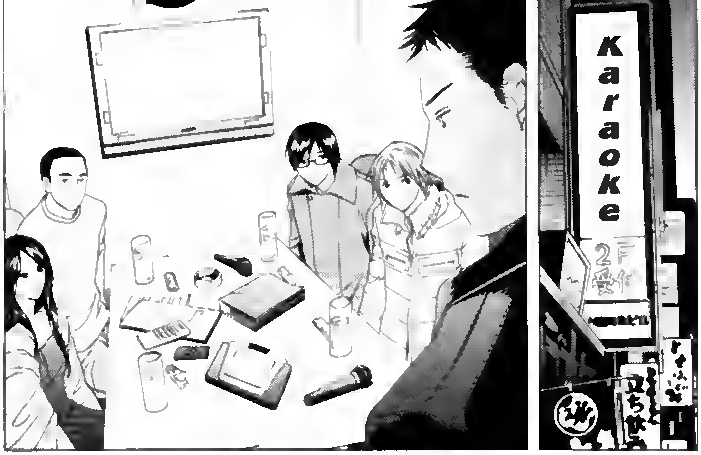
Chapter 31
Two faces and a Blessing <III>

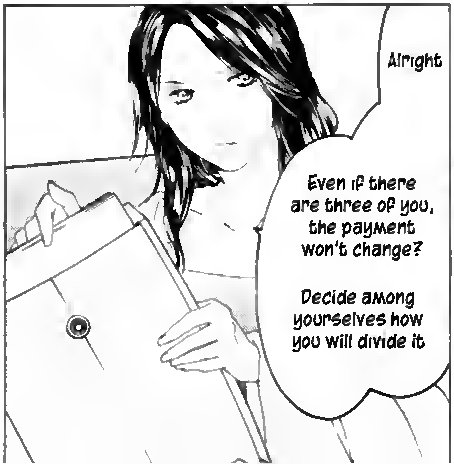
Shiki-san?
.....
Do I have to reply now?
Later ...
No
Are you coming?
Or not?
I got it... I'm going
Beep
.....
Work?
Yes
I'm sorry
I don't have the option not to go
Go back to my place
How about you stay tonight? You have your things, right? Utako-chan might come back too

Go stay at my place
I'll be back in an hour...
I'm done with her
She hates depending on others
She won't come back
Eh?
What's today's job?
I'll go too



Karaoke

Shiki, make some room
Y... Yeah
You're not mad?
It's as I predicted



Alright
Even if there are three of you, the payment won't change?
Decide among yourselves how you will divide it

Who's the next target?
.....
What did he mean?

Suzuki Eiji, 38 years old, an insurance company employee
Two years ago he murdered his wife and child and set fire to his house
He was initially treated as a suspect, but

He collected 130 million in insurance and now lives alone in a condo in the city
He wasn't arrested because there was no definitive evidence

There were dozens of stab wounds in the corpses of his wife and child
It's believed that he set fire to the house after they were dead
The cause of death was blood loss

This is the investigation file from two years ago
Suzuki bought oil very similar to what was used in the arson three weeks prior to the incident
He has no alibi for the time the crime was committed
There are many other suspicious actions
He and his wife disagreed about the child, and fought daily
Between his debts, and the loan on the house, and child-rearing expenses
You might say he was short of money
But these are only suspicions?
If you guys don't kill him
I'll give this job to someone else

The murder method will be
To fake a mugging
And stab him
A pretense that he was unlucky enough to be randomly assaulted

I can't make Itsuki do something so dangerous
Shiki-san
If you're concerned, then how about Itsuki-chan confirm this with *that power* of hers?
Shiki, why did you bring him here?
Anyway
Makihara, what are you here for?
Look at that
... Yeah
Eh
He told me he wanted to come ...
I just
Was concerned about this, so I came

Makihara, what do you want to do?
Do you want to participate in the killing?
No
Not that
I can't have him do something like that
He's still 20
He doesn't need to become a hitman
He can go to college even now and live a normal life
Do you really think he can live normally?
College!?
He beat one person to death. Shot five more people
I was the one who shot five people
Then why did you bring him here?
Because I can't let it go...
He's smart, so he can at least go to college
I don't think this is it
I wonder if this is how parents argue over their son's path in life
She has nothing to do with this
Are you going to send that girl to college too?

This is my opinion
If you go on this job
You'll be the lookout
Don't go on the job, study, and go to college
I'll teach you what you need

You guys are funny
I'm serious ...
Listen ...
I'll think about it
.....

Yes, that's what I'll do. What else could I say?
I don't know what I want to do myself
Listen, about studying
I'll teach you, so come to my place any time

It's unlikely that I'll accomplish my revenge
Even if it's just to eat like today
Then what do I want to do?

What?

You're lonely, Kosaka-san, aren't you?
Coming to see me day after day
Don't be stupid, it's my job
Yeah
You're later than usual
Did you drink last night?
How about
Breakfast together?
I'm troubled about whether to go to college

Your things
Yeah yeah
We're splitting the check
Cheap bastard
... Can't help it
Use this today
Black gloves?
We ambush him outside
White would look unnatural
... Yeah

What about Maki-hara?
I didn't hear from him
That's good
Tame him and watch over him
I can't trust him
Even if he's one of us, one day he'll betray us for sure
Kuzumi
You
Like with Itsuki
If I object to killing
You listen
Even though the risk is high
Why, you actually understand
Why?

Because the things you say aren't wrong
That's why I can trust you
At that time, even if you object, I won't listen
If it gets dangerous, I'll stop this somewhere
.....
Even though I think you're stupid
Thanks
